

Curriculum Vitae

Jin Jiaxin, Ph. D Candidate

International Institute for Earth System Science
Nanjing, 210046, P.R.China
Mail address: Xianlin Rd. 163, Nanjing, 210046
Tel: +86-15951871334 (Mobile)
Email: jiaxinking@126.com

PERSONAL DATA

Sex: Male

Data of Birth: Feb 24, 1986

Marital Status: Unmarried

Health: Excellent

EDUCATION BACKGROUND

09/2011 – now

Doctoral student
Nanjing University (Nanjing, P. R. China)
International Institute for Earth System Science
Expected date of completion: 2014

09/2009 - 06/2011

Nanjing University (Nanjing, P. R. China)
International Institute for Earth System Science
MA awarded by the University in 2011

09/2005 – 06/2009

Yanshan University
College of Information Science and Engineering
BA awarded by the University in 2009

SELECTED PEER-REVIEWED PUBLICATIONS

1. **Jiaxin Jin**, Hong Jiang, Xiuying Zhang, Ying Wang, 2012, “Characterizing Spatial-Temporal Variations in Vegetation Phenology over the North-South Transect of Northeast Asia Based upon the MERIS Terrestrial Chlorophyll Index”. *Terrestrial, Atmospheric and Oceanic sciences*, 23(4), 413-424. (SCI)
2. **Jiaxin Jin**, Hong Jiang, Xiuying Zhang, Ying Wang, Miaomiao Cheng, Xiaodong Song, 2013, “Using multivariate analysis to detect the hyperspectral response of Chinese Fir to acid stress”. *International Journal of Remote Sensing*, 34(11), 3775-3786. (SCI)
3. **Jiaxin Jin**, Hong Jiang, Xiuying Zhang, Ying Wang, Xiaodong Song, 2013, “Detecting the responses of Masson Pine to acid stress using hyperspectral and multispectral remote sensing”. *International Journal of Remote Sensing*. (accept, SCI)
4. **Jiaxin Jin**, Hong Jiang, Xiuying Zhang, Ying Wang, 2012, “Characterizing spatial-temporal

variations in phenology over the Northeast Asia Based on remotely sensed vegetation index”. *IEEE GEOSCIENCE AND REMOTE SENSING SYMPOSIUM 2012*.

5. **Jiixin Jin**, Hong Jiang, Jianhui Xu, Wei Peng, Linjing Zhang, Xiuying Zhang, Ying Wang, 2012, “Predicting the Potential Distribution of Bamboo with Species Distribution Models”. *Geoinformatics. 2012 20th International Conference*.
6. **Jiixin Jin**, Hong Jiang, Xiuying Zhang, Xiaobin Xu, 2011, “Analysis of acid rain effects on vegetation in eco-regions in China based on AVHRR/NDVI”. *Remote Sensing of the Environment: The 17th China Conference Remote Sensing*.
